- Activities for the Bronze, Silver and Gold levels
- Hands-on learning for the Skills Section
- A range of flexible roles and activities for the Volunteering and Physical Sections
- Completely remote so you can take part anywhere
- Fully supported by our DofE team

## Our Duke of Edinburgh Programme

### Skills Section

Discover the powerful coding languages of Python or HTML/CSS to build apps and create webpages. Classes are instructor-led by experienced professionals.

### Physical Section

Get active and choose a physical activity that suits you. Our Physical Section is complemented by mentoring sessions with health and wellbeing professionals to help you get the most out of your physical activities.

### Volunteering Section

Contribute to positive social change by volunteering with Ignite Hubs. You will work on projects that can help you develop skills in a variety of areas like campaigning, fundraising or by becoming a Student Ambassador or coding class assistant.

### Mentoring Sessions

For the Physical and Volunteering Sections, you will be supported by mentors and staff members via remote group mentoring sessions once a fortnight to ensure you have a meaningful learning experience and successful DofE journey with Ignite Hubs.
